## **BUCK PAPERSTONE® KITCHEN KNIVES**

### **PAPERSTONE® IS DISHWASHER SAFE!**

Thank you for purchasing our PaperStone® kitchen knife. The handle is made of eco-friendly PaperStone®, the greenest material you can find, made from 100% post-consumer recycled paper and a proprietary petroleum-free resin.

Also, it is very strong, able to withstand extreme temperatures and moisture, making it dishwasher safe. According to research, using the dishwasher is very effective in killing bacteria, so we are happy to provide you with dishwasher friendly knives. Enjoy the ease of cleaning your new knife!
